RULES AND REGULATIONS
OF THE
NORTHERN DISPENSARY OF PHILADELPHIA.

OF MEMBERS.

SECTION 1. Any person disposed to become a Contributor, shall have his or her name submitted to the Board of Managers, and on a majority of those present agreeing thereto, and the payment of *five dollars* per annum to the funds of the Dispensary, shall be a member, and shall be entitled to the privilege of having two patients at a time under the care of the *Dispensary*; those who pay annually *ten dollars*, shall have four; and so on in the same proportion; and those who pay *twenty dollars* or upwards at once, shall be entitled *during life*, to the privilege of having two patients attended at one time by the Physicians of the Dispensary.

SECT. 2. No persons (except life contributors) whose contributions are not paid within one year of the time of any meeting of contributors, shall be entitled to vote at said meeting.

RESIDENT PHYSICIAN.

SECTION 1. The Resident Physician must be a graduate of some respectable school of medicine in the United States, and

must reside in the dwelling attached to the Dispensary, and shall devote his whole time to the interest of the Institution.

SECT. 2. He shall attend at the Dispensary at such hours as may be determined on by the Managers, and carefully attend to and prescribe for all patients who apply at the Dispensary and are entitled to the benefits thereof, and living within the bounds as designated for out-door relief; also perform the operation of cupping, bleeding, and extracting of teeth for such patients; and superintend and see all medicines properly put up.

SECT. 3. He shall keep in the books prepared for that purpose, a faithful record of the name, age, residence, and disease of every patient who is prescribed for, together with the name of the attending Physician.

SECT. 4. He shall direct all persons who are duly recommended to the care of the Dispensary, to the Physicians of the district in which they reside.

SECT. 5. He shall prepare and keep a plan of the districts, correcting the same as alterations may occur.

SECT. 6. He shall have the care of the Library, under the direction of the Committee thereon, and report any infraction of the rules to the Committee.

SECT. 7. He shall sign all orders for leeching, stating therein the number of leeches directed to be applied, and the residence of the patient.

SECT. 8. He shall annually, on the first day of December, prepare a tabular statement, exhibiting the sex, age, disease, &c., of the patients who have been under the care of the Dispensary during the past year.

He shall keep in a conspicuous place in the Dispensary room, the rules to be observed by the patients, and the hours the Dispensary is kept open.

SECT. 9. He shall report to the Board of Managers monthly,

the name and residence of all patients who have been under the care of the Dispensary more than three months—together with the name of the Physician in attendance, and the contributor who recommended them; also the number of orders issued for leeching during the previous month, by whom directed, and the number applied, and also the number of patients attended to by him during the month, nature of disease, &c.

OF THE PHYSICIANS.

SECTION 1. The Physicians must be graduates of some respectable school of medicine in the United States.

SECT. 2. Physicians shall state the name of the patient, and the contributor who gave the recommendation, with his name as Physician, and the letters N. D., on the first prescription for every patient. On the subsequent prescriptions, the name of the contributor may be omitted.

SECT. 3. In case of sickness or temporary absence from duty, a Physician may procure (with the consent of the Committee on Physicians) another to officiate in his place (upon giving notice thereof to the Resident Physician), who must sign with his own signature, for the District Physician and for the Dispensary, thus: A. B. for C. D.

SECT. 4. Physicians shall regularly attend every duly recommended patient residing in the district which he has chosen, or to which he shall have been elected, except those patients whose conduct is irregular, or who are more properly objects of the charity of the Guardians of the Poor; or whose means place them beyond the necessity of Dispensary aid; or patients recommended by a contributor, who has at the same time two persons under care; but in such cases he must, when he refuses to attend, give immediate information, either personally or by writing, of the cause of his refusal, to the contributor who gave the recommendation. And any Physician neglecting or refusing to attend a duly recommended patient, without giving immediate information to the contributor of his reason for so refusing, the contributor may employ any other respectable

physician to attend such patient, whose prescriptions shall be put up by the Apothecary, the Resident Physician having been notified thereof by the contributor, as in other cases, and the contributor to give immediate notice to the Committee on Physicians, who shall report the same to the Board of Managers.

SECT. 5. When a Physician's attendance on a case has terminated, he shall give to the patient or his family, a certificate to that effect, and report the same to the Resident Physician.

SECT. 6. Physicians shall make a monthly report to the Managers of the patients under their care, blanks for which shall be furnished by the Dispensary. They shall also report all chronic cases deemed by them incurable, which shall be certified to by a Consulting Physician, and if, on the action of the Board, the patient is discharged, the contributor who recommended the patient shall be notified to that effect.

SECT. 7. Physicians must send all orders for the bleeding, cupping, leeching and tooth-drawing of Dispensary patients, to the Resident Physician at the Dispensary, stating therein the number of leeches and cups to be applied, and the name and residence of the patient and nature of the disease.

SECT. 8. Attending Physicians shall be entitled to prescribe once in cases of emergency (to be designated as such), without the necessity of a recommendation; but in all such cases a letter of recommendation from a contributor must be procured before another prescription is given, or before leeches can be applied.

SECT. 9. Physicians shall annually have the privilege, according to seniority of service in the Dispensary, of choosing districts, and are to meet on the call of the Committee on Physicians, within three days after their election for that purpose.

SECT. 10. Physicians who shall have faithfully and satisfactorily served the Dispensary for two years or upwards, shall be entitled to receive from the Managers a certificate to that effect, signed by the officers of the Institution, with the corporate seal of the Dispensary thereto affixed.

APOTHECARY.

The Apothecary shall prepare, put up, and give out, such medicines as may be prescribed by a Physician elected by the Managers, or as provided for in Section 3 on Physicians, and shall label the boxes, vials, or envelopes of said medicines according to the directions in said prescriptions; or if there be no such directions in the prescription, and the medicine ordered be a single officinal article, he shall label with the name of that article, and shall perform such other duties as may be required of him by the Resident Physician or Board of Managers.

OF THE MEDICAL BOARD.

SECTION 1. The Resident and Attending Physicians of the Dispensary may constitute a Medical Board, who may hold stated meetings at the Dispensary.

SECT. 2. The members of the Medical Board shall have the use of the Library, subject to the rules thereof, and the privilege of using such room of the Dispensary for a meeting-room, when it is not wanted by the Managers for other purposes.

SECT. 3. The Medical Board may make such suggestions to the Board of Managers as will, in their opinion, increase the importance and usefulness of the Institution, and elevate the professional character of the Medical Department.

Rules to be Observed by Dispensary Patients.

I.—All recommendations from Contributors must be taken to the Physician in whose district the patient resides.

II.—No persons shall be deemed objects of this charity but such as are necessitous, and not proper objects of the Guardians of the Poor.

III.—Patients, when cured, must take a regular discharge from the Physician to the Contributor who gave them the recommendation, or they must not expect to be again received.

IV.—Patients must attend to the prescriptions and directions of the attending Physician in all cases, or they will be deprived of the benefits of the Dispensary.

V.—Patients who go to the Dispensary for advice, need not obtain a recommendation; but are required to report themselves until discharged, or they cannot again be prescribed for.

VI.—All the vials must be returned to the Apothecary.

ANNUAL REPORT.

ANNUAL REPORT OF THE MANAGERS OF THE NORTHERN DISPENSARY, FOR THE YEAR 1870.

To the Contributors, Members, and Friends

of the Northern Dispensary:

In obedience to the requirements of the Charter, the Managers herewith present the Fifty-third Annual Report, giving the condition and operations of the Institution for the past year.

It is with feelings of gratification that we announce the continued usefulness of the Dispensary, and express the conviction that without its benefits there would be great suffering among the class who avail themselves of its privileges.

A synopsis of the usual large amount of relief afforded may be found in the report of the Resident Physician, hereto appended; and the small sum necessary to carry on its work will be noted in the Financial Statement.

It is thus seen that of all the great charities with which our city so richly abounds, this institution illustrates one of the most effectual and economical organizations for administering to the relief and cure of the sick and afflicted. And this large usefulness, with its steady annual increase, presents the strongest appeal we can make to the friends of the institution to continue their generous aid in its support.

The most important event to the interests of the institution during the year just drawn to a close, has been the erection of the new Dispensary Building, at the location on Coates Street above Sixth, purchased the year previous; and it affords cause for mutual congratulations that we have now what has so long been a necessity, a building that fully meets the requirements

of this growing charity and the demand for greatly increased facilities for the transaction of business. The comfortable feeling is induced that the institution is at length permanently, pleasantly, and satisfactorily located. Generous provision has been made for the comfort of patients and others, and it is complete in all its arrangements and appliances. With the highest medical and surgical skill at command, it is believed that for an institution of its kind it has now no superior. Contributors and friends are invited to visit and inspect the new establishment, and they are requested to recommend to its benefits such worthy persons as may come to their notice.

The purchase of this location and dwelling for Resident Physician, the erection of the Dispensary building, adjoining, and other improvements, has been attended with a considerable expenditure. We had anticipated, through the means of former appeals and private exertions of friends, to raise the necessary amount; but there has been contributed as yet not quite ten thousand dollars. Necessity has, therefore, compelled us to use the small capital accumulated in former years, and we have accordingly disposed of investments noted in the financial statement.

It is hoped that this amount may be returned to our permanent fund, and in this day of liberal endowment our institution may claim a share of the consideration of the liberally disposed, that it may be placed on an independent foundation, and obviate the necessity of making our stereotyped annual appeal for aid.

As our annual income has thus been materially reduced, it becomes necessary to make renewed efforts to increase the number of annual contributors for the support of the institution; and the Managers trust that this plain statement will not be allowed to pass unheeded, but that means may be placed at their disposal that will enable them to continue to alleviate the suffering, and restore to health the large number of afflicted who daily throng the hall of the Northern Dispensary.

The Managers take great pleasure in acknowledging the re-

ceipt of the legacy of \$300, bequeathed to the Dispensary by the will of the late Sarah Phipps ; also the legacy of \$50 from Mr. Anthony P. Morris. Also the very valuable donation from Isaiah V. Williamson, of an annual ground rent of \$46.50, clear of taxes, transferred to the Dispensary by him, and the deed of gift, properly executed, presented to the Managers for the Dispensary—the same, and the interest to be applied to the uses of the institution.

The Managers again take great pleasure in thanking the physicians, and other officers attached to the Dispensary, for the fidelity and ability displayed in the performance of their duties.

All of which is respectfully submitted.
